

## RULES OF USE & Information

**Cost:** \$15 plus gst per handler per hour or Purchase a Drop-In Pass for \$100 plus gst for 12 training sessions and save over 45%!

\* Drop-In Passes are valid 1 year from the date of purchase.

**Payment: by Visa or Mastercard ONLY!**

We no longer accept cash or cheques in our drop box.

Your bookings/payments made online are tracked and processed automatically.

Your account retains all your payment and booking history for your records.

**IMPORTANT!!!** Be aware that many users of our facility have various issues with their dogs. To ensure SAFETY to ALL parties, you MUST respect your booking area and time exclusively! Be ALERT that you are SHARING access to and from rings with off leash bookings. Police yourselves! Communicate with others and ensure all parties have dogs under control when entering and exiting areas.

**ALWAYS** pick up after your dog. This includes TOYS! Use any of the three green dog waste stations. Preferably the bin closest to the parking lot for ease of our maintenance (especially in winter). Please provide EXTRA bags for yourself and pick up ANY additional piles you come across as a courtesy for the privilege of using this private facility, as Wet Noses and their staff are NOT responsible for cleaning up after your dog! If owners continue to find their facility not being respected then a maximum dog per handler limit will be implemented to aid in handlers keeping track of their dogs easier or further, the use of the land will be closed.

Please **PARK** vehicles in lot at gate closest to the first green dog waste station

Watch your dog carefully, no peeing **INSIDE** the Training **Rings** or **Fences**

When **ENTERING** and **BEFORE LEAVING** close all **GATES**.

If you find it necessary to lower the teeter, wall or dog walk, you must raise it back up to the normal position for the following group. No exceptions! This has become an issue! 95% of our clients train at standard height.

Keep your dog under control and away from the Boarding Dog Run Fences

Enjoy use of all Facilities, Equipment, Land and Swimming at Own Risk!!!

Training Treats are available in our **Wet Noses Store**
